

Figure 6

Age Group	Percentage of Respondents
18-29	65%
30-49	75%
50-69	80%
70+	85%

A dark, grainy, black and white photograph of a textured surface, possibly a book cover or endpaper. The image is mostly black with a dense pattern of white specks and noise. A vertical strip of lighter, more textured material is visible along the right edge, suggesting a hinge or a different material. There are some faint, horizontal lines and shapes that might be part of the original image, but they are mostly lost in the noise.
